THE DOCK & HARBOUR AUTHORITY

Index to Volume LII

May 1971—April 1972 Nos. 607-618

A

Aberdeen, 87
About Containers, 33, 77, 132, 169, 224, 269, 313, 360, 401, 446, 487, 532
American shipyard introduces new shipbuilding concept, 276
Amoco's jetty progressing at Milford Haven, 380
Angola:
  Porto Salazar, 323
Antwerp:
  Preparation of Left Bank area, 166
  Port development, 196
Argentina:
  New channel construction, 182
  Argentine dredging study, 320
  Punto Colorado, 408
Australia:
  Botany Bay, 2, 321, 531
  Cape Lambert, 89
  Cockburn Sound, 233
  Dampier, 282
  Hay Point, 408
  Jervis Bay and Pt. Stephens (N.S.W.), 183
  Kwinana, 282
  Launceston, Tasmania, 26, 42, 282
  Mackay, 538
  Melbourne, 233, 282, 370
  Newcastle, 370, 84
  Port Kembla, 42, 445
  Port Lincoln, 89
  Queensland, 450
  Westernport Bay, 370
Autonomy in the deep, 243
Avonmouth, 535

B

Bahamas:
  Hamilton, 538
Bahrein, 538
Barges:
  North Sea battle between barges and conventional ships, 110
  Rhine chemical barges, 303
Barry grows with West Indies traffic, 293
Basic features of a ship dimension simulator, 339
Belgium:
  Antwerp, 166, 196
Berthing:
  Sonic mooring recorder, 240
Bid for international mooring standards, 161
Bigger ships can now call at Launceston, 26
Bombay, New-look passenger terminal, 50
Book Reviews, 218, 263, 305, 355, 435, 474, 519
Botany Bay project, a new entrant to big ports 'league', 2
Brazil, 281
Breakwater construction:
  New technique used at Scheveningen, 104
  Design of breakwaters on sandy seabed, 376
Brief look at modern Falmouth, 379
Bristol:
  Green light for West Dock Scheme, 260
  Port news, 489, 535
Britain's first airship planned, 292
Bulk carriers, A new generation of ports for, 332
Bulk unloading equipment, A new direction in, 352
Buoy design, An innovation in, 160

C

Cable ships, 54
Callao giant drydock plans, 526
Canada:
  Large French order for Canadian shipyards, 222
  Question mark over impact on Canada's trade, 33
  Newfoundland shipyard proposal, 311
  Prince Rupert, B.C., 135
  St John, N.B., 368, 538
  St. John container terminal, 361
  Seven Islands, 181
  Toronto, 408
  Vancouver, 487
Canary Islands, New shiprepair yard, 525
Cardiff, 39, 312, 322
Cargo Airships:
  Danger of Britain losing airship race, 75
  Britain's first airship planned, 292
  Airships reborn, 414
Cargo handling equipment, 138, 186, 235, 283, 352
Cathodic protection for Invergordon jetty, 102
Ceylon:
  Five-year plan, 369
  Merchant fleet expansion, 363
  Galle, 136
  Trincomalee, 136, 408, 491
Changed scene in the Western Approaches, 21
Channel Islands, St. Helier, 89
Charlestown, 134
Chile, Maguellin, 136
Cochin shipyard expansion, 527
Company News, 46, 93, 141, 187, 237, 286, 329, 373, 411, 454, 478, 541
Computer services for port and waterway management, 431
Computer simulation in British Honduras port study, 258
Concrete structures under water, 516
Congo dredgers are result of Dutch-Belgian co-operation, 272
Containerisation:
  Container with built-in pallet, 78
  Container repair business, 446
  Floating containers, 361
  OCL containership design, 132
  Nuclear container ships, 533
Terminal schemes:
  Auckland, 360
  Ellesmere, 533
  Falmouth, 401
  Hong Kong, 224, 401, 487
  Osaka, 252
  Parkeston Quay extension, 132, 488
  St. John, N.B., 361

D

Danger of Britain losing airship race, 75
Decca Survey aids seabed exploration, 501
Delta project, Haringvliet Sluices complex, 23
Denmark:
  Esbjerg, 407
Design of breakwaters on sandy seabed, 376
Dover, 134, 322, 449
Dover Straits set a precedent in international navigation, 300

D—continued

Dredging:
- Amphibious concept for dredging, 166
- Antwerp, 166
- Botany Bay dredging, 321, 531
- Britain's hydrographic society, 531
- Congo dredgers are result of Dutch-Belgian co-operation, 272
- Dredgers for titanium mining, 168
- Faster discharge of marine aggregate dredgers 443
- Foulness dredging plans, 127, 167, 321
- Hong Kong dredging project, 127
- International Dredging Association, 168
- Nucleonic detection for dredgers, 273
- Numerical dredging, 319
- Portsmouth contract, 444
- Port Kembla, 445
- St. Lawrence channel, 221
- Successful results obtained from hydrocyclones, 125
- Transport of solids by water, 479
- Trailing suction hopper dredger for Brunei, 403

Dubai, 232
Dungeness has major port potential, 96
Dutch air pollution detection network, 52

E

Eastham, 231
Ecuador, Esmeraldas, 233
Egypt, 233
Eire:
- Drogheda, 536

Elimination of explosion risk in tanker cleaning, 219
Engineering and port development studies, 207
Europa Canal project now becoming a reality, 146
Eve of a breakthrough in oceanology?, 496

F

Falmouth:
- A brief look at modern Falmouth, 379
- container terminal, 401

Faster discharge of marine aggregate dredgers, 443
Felixstowe, 135, 323, 489
Financial policies for ports, 107
Fishguard Harbour, 181
Fleetwood, 448
Folkestone, 280
Forth Ports, 449
Fos forges ahead, 459
Foulness:
- Chosen for London's third airport, 16
- Foulness dredging consortia, 127, 167, 321
- Green light for Foulness seaport plans, 432

Fowey, 368
France:
- Fos, 459
- Le Havre, 407, 465
- Marseilles, 463
- Only one port from Dunkirk to Calais, 302

G

Gabon:
- Libreville, 182

Germany:
- Bremerhaven, 41

Grangemouth, 31, 535
Greece, new shipyard, 85
Green light for Bristol's West Dock Scheme, 260
Green light for Foulness seaport plan, 432

H

Haiti:
- Tortuga, 89

Haldia oil terminal occupancy pattern, 70
Haringvliet sluices complex, 23
Holland's Delta works approach completion, 393
Honduras:
- Puerto Cortes, 183
- British Honduras port study, 258

H—continued

Hong Kong:
- container terminals, 224, 401, 487
- floating dry dock, 364
- now a major port of call for LASH ships, 313
- register under consideration, 515
- dredging project, 127

Hover flotation, 184, 452
- World's largest hover move, 304
- Amphibious hover platform, 320

Hull, 448

I

Immingham, 322, 536
India:
- Bombay, 50, 136, 233, 369
- Calcutta, 182, 537
- Cochin shipyard, 527
- Haldia oil terminal, 70
- Madras, 182
- Mormagoa, 42
- Tuticorin, 450
- Vizagapatnam, 278, 365, 537

Inland Waterways:
- Europa Canal project now becoming reality, 146
- New era dawning for inland waterways 192
- "Chemical" uplift for Europe's waterways, 303
- Canals can help port environment, 335
- Role of canals in port hinterlands, 419

Isle of Grain, 181
Innovation in buoy design, 160
Intermodal transportation. The port as a unit in, 456
International mooring standards, Bid for, 161
Invergordon, 88
- Cathodic protection for, 102

Iran:
- Kharg Island, 232, 281

Italy:
- Messina, 195

J

Japan:
- Osaka, 252
- Million-ton dry-dock, 129
- Japanese ship research, 311

Jervis Bay and St. Stephens, N.S.W., 183

K

Kenya:
- Mombasa, 490

Kings Lynn, market research aids, 250
- Port news, 407

Korea, new shipyard, 30, 364
Kuwait, 450

L

Large French order for Canadian shipyards, 222
Larne Harbour, Progress at, 477
LASH: Ships:
- Hong Kong now a major port of call, 313
- Europe's first LASH ship, 362

Launceston, Bigger ships can call at, 26
Legal Notes, 72, 119, 164, 356, 466
Le Havre, Port of the XXIst century, 465
Letters to the Editor, 75, 165, 229, 262, 306, 434, 473, 518
Liberia:
- Port Harper, 323

Light vessel's conversion to unmanned operation, 295
Liquid Natural Gas:
- First spherical tank carrier in service, 230
- LNG carrier orders for French yard, 175

Liverpool:
- Port News, 40, 280, 323, 535
- Seaforth, 148

London, 39, 406
Lowestoft:
- Market research aids, Lowestoft, 250
- Port news, 536
